(Vide his letter No 3302/957 dated 15th Dec 1902) S.N. 11/- The bill was found to contain certain discrepancies and was therefore returned to the Comptroller on 12th January 1903 for explanation, wherefrom it was received back on 25th February 1903. The necessary draft, was thereupon put up by the office to the Resident on 28th February 1903. S.N. 1/-

The Consulting Engineer for Railways submits the following :—

(i) Memorandum from the First Assistant to the Honourable the Resident in Mysore, No. 1337, dated the 18th March 1903, forwarding, for necessary action, the following letter, with its enclosure :—

Letter No. J.—1423, dated 11th March 1903, from the Secretary to the Government of Mysore, General and Revenue Departments, to the First Assistant to the Honourable the Resident in Mysore :—

"In continuation of this office letter No. 16319—J. 1419, dated the 4th April 1902, and with reference to the last paragraph thereof, I am directed to forward herewith, for favour of adjustment, a statement duly verified by the Comptroller shewing the details of the cost of the Police Force employed on the Bangalore-Nanjangud Section of the Mysore State Railway from 1st April 1896 up to the end of March 1902, and to state that 7/10ths of the cost of the force, to be recovered from the Southern Mahratta Railway Company, amounts to Rs. 33,381-9-4."

(ii) Letter from the Consulting Engineer for Railways to the Agent, Southern Mahratta Railway Company, No. 1388, dated the 28th March 1903 :—

"I have the honour to forward, herewith, copy of a memorandum from the First Assistant to the Honourable the Resident in Mysore, No. 1337, dated the 18th March 1903, and accompaniment, with the bill therein referred to, showing the details of the cost of the Police Force employed on the Bangalore-Nanjangud Section of the Mysore State Railway from April 1896 to the end of March 1902.

"2. Before I move Government to formally ask you to adjust the amount of Rs. 33,381-9-4 debitable against the Southern Mahratta Railway System, I request that you will kindly let me know whether you have any objection to raise against the details shown in the bill.

"3. Kindly return the bill with your reply."

(iii) Letter from the Agent, Southern Mahratta Railway Company, to the Consulting Engineer for Railways, No. 5161—4131, dated 20th May 1903 :—

"In returning herewith the bill for the cost of Police Force employed on the Bangalore-Nanjangud Section of the Mysore State Railway from April 1896 to the end of March 1902, forwarded with your letter No. 1388, dated the 28th March 1903, I have the honour to point out as follows :—

The grand total of the bill should be Rs. 47,701-4-9 instead of Rs. 47,687-15-8. This is due to errors in the figures for 1896; the first item in the total column should be Rs. 13-15-1 instead of Rs. 12-15-2; the third item should be less by Re. 0-10-0 and the total for the year Rs. 4,250-8-4.

"2. It is not understood why these bills cannot be submitted with more regularity, say, once a quarter instead of being allowed to accumulate for such long periods. The inclusion of such a heavy charge in one half-year quite upsets the accounts and disturbs comparison."

RESOLUTION.—The Agent, Southern Mahratta Railway Company, shou be requested to accept debit for the sum of Rs. 33,390-14-6, being 7/10ths of tl grand total of the bill, *viz.*, Rs. 47,701-4-9.

General and Revenue DEPTS

SIR,

With reference to your endorsement No.870/J.F.63.03 dated 9th October last requesting to furnish information on the points raised by the Agent, Southern Mahratta Railway Company relative to the variation observed in the charge as cost of the "Executive Establishment" of the Police Force employed on the Bangalore Nanjangode Section and to the omission of the travelling allowance charges in the statement of the quarter in which they were incurred, I have the honor to submit copy of docket No.2770/217 dated 11th idem from the Inspector General of Police in Mysore explaining the cause of variation under the charge "Executive Establishment" and stating that it is not possible to include in the statement the travelling allowance charges incurred in the same quarters, and to state that the scale of the Police Force being Provincial and not by Districts, the distribution of the Force resting with the Inspector General and the District Officers as the special exigency of the service requires from time to time, variations in the scale will always occur and cannot be avoided.

The inclusion of charges on account of travelling allowances in each quarter incurred is not ~~possible~~ feasible, as the bills are encashed after being audited by this office and which are not received after the expiry of two or three months for audit, from the Controlling officers, after audit the bills are returned through the same channel which necessitates a further delay in their encashment at

at the Moffusil Treasury in which the bill is made payable.

The existing scale of the Bangalore Nanjungode Police Force is noted in the margin and changes as occur will be duly reported to you for communication to the Agent, Southern Mahratta Railway.

I have the honor to be,

Sir,

Your most obedient servant,

Offg: Comptroller.

With reference to para 2 of

Consulting Engineer, Bomb
has the honor to State that
the sanctioned scale of
= Executive Establishment
for the Bangalore Navigation
Section, is as follows:—

1. Inspector on Rs 120-10-15
2. Sergeants at Rs 10 — 20
3. First Class Constables — 27
@ Rs 9 3
12 Second — Do — @ Rs 8 — 96
34 Third — Do — @ Rs 7 — 238

Owing to the abolition
of the posts of 2nd Inspec

Our

on Rs 50 + 15 and a Head Constable on Rs 25 + 5 which were temporarily sanctioned, the Head Constable of the Birur-Shemoga Railway had to be posted as a temporary measure for duty in the Bangalore - Nanjangode section for the efficient discharge of work which could not be carried on without a subordinate officer of that rank to conduct the prosecution and investigation of cases, as the investigating officers are precluded from conducting prosecutions.

Moreover since the time Mr. Leighton the Permanent Railway Inspector took leave, certain arrangements had to be made entailing the posting of Inspectors of lower grade for work in the section. This accounts for the variation in the scale. Now that Mr. Leighton has been retired from service, permanent arrangements will be made shortly according to sanctioned scale.

It is also under contemplation to revise the "Executive Establishment" consistent with efficiency & economy as the present staff is found inadequate to cope with the increasing work.

As regards para 3 of the letter it may be stated that the omission to include the travelling allowance during the quarter was due to the bills not having been audited by the Comptroller and returned in time for being included in the statement.

I am directed to state as follows — —

2. The existing scale of "Executive establishment for the Bangalore-Nanjangud Section is as follows: — —

1	Inspector on Rs 120-10--150	
2	Sergeants at Rs 10 each -	20

1	Railway Clerk -	15
	Medical Batta -	9
	Fixed Contingencies -	9-12
	Total Rs	592-12.

The present staff is however reported to be inadequate to cope with the increasing work, & a revision of the establishment is under contemplation.

3. The variation in the cost of the establishment, referred to by the Agent, S. M. Ry. Company is due to the fact that, owing to the abolition of the temporary appts of a Sub Inspector on Rs 50+15 and a Head Constable on Rs 25+5, which were

of Inspectors of lower

to the absence on

reported by the Inspector of Police

causes of the variation.
